

SENATE BILL 3464

By Tate

AN ACT to amend Tennessee Code Annotated, Section
40-11-152, relative to global positioning
monitoring.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 40-11-152, is amended by adding
the following to the end of subsection (g):

An alleged victim's termination of participation in a global positioning monitoring system
shall not terminate a defendant's obligation to participate in global positioning monitoring
system as a condition of the defendant's bail.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring
it.
